To Whom It May Concern,

I would like to say that I think this is bad idea. Listener supported radio cannot afford to have personnel on staff 24 hours a day. Secondly, I do not agree with the plan to insist that both sides of an issue to be head. My favorite radio station is a Christian radio station. I, for one, am not interested in the atheist point of view. I believe these are the two key issues that would affect my favorite station. If this is allowed, this station wouldn't be the same.

Sincerely,
Leigh Anne Hanson
